## Software Developer | Full Stack Engineer

Compassionate, coachable, full-stack developer with a background in diverse fields. Currently, seeking a software engineer role where skills growth, problem solving, creativity are encouraged. I'm a fast-learner, self-directed learner and enjoying digging into a problem for a better, easier solution. My enthusiasm toward the process drives me to continue learning.

## Skills

- Javascript, CSS, HTML, React, Node, Node.js
- Deployment on github, Heroku, Netlify
- Express, Ruby MongoDB/Mongoose, PostgreSQL, API development, Ruby on Rails
- SPSS -Statistical Analysis

## Experience

### General Assembly / Engineering Fellow January 2021 - Apr 2021

Developed three solo and one team web applications with full CRUD functionality and deployed on Github, Heroku, or Netlify; Developed front-end and back-end skills(JS, CSS, HTML, React, Express, Ruby on Rails, Ruby, API development, PostgreSQL)

### Rainbow Nail Spa / Manager & Nail Technician Jan 2008 - present

Oversee daily schedule of 10 Nail Technicians, ensuring that there is coverage for all clients; Greet clients and ensure that the salon is a positive environment overall; De-escalate customer issues and ensure that all customers are satisfied when leaving the salon; Provide professional nail tech services to clients

### William Schwitzer & Associates, P.C. / Medical Paralegal January 2019 - Nov 2020

Quickly adapted new field (personal injury)of law, completed assigned tasks by 10+ attorneys; Followed up with clients to ensure they were receiving correct treatments for their injuries; Accompanied the clients to Defendant Medical Examination to ensure the client was not being asked threatening health questions, and prepared them for the Defendant Medical examinations

### Yan Wang Law Group, PC / Legal Assistant October 2017-August 2018

Quickly adapted and learned terminology of immigration laws, family laws; Worked with four attorneys, quickly switch between different cases from all attorneys, knowing to complete the priority case first; Prepared and filed applications, court motions/applications, gathered all required documents before attorney's approval; Translated between Chinese and English orally and in written; Ensured clients were well prepared before court; Filed documents at different systems(court, USCIS, etc)
